

West Lake Conservators, a Central NY, 33 year-old practice known for specializing in paintings, seeks an experienced paper conservator. Our spacious paper lab established in 1998 is well equipped to serve our clientele of small to mid-sized museums and private collectors. Requirements as our sole paper conservator are; competent computer skills, the ability to work independently and estimate treatment times on a wide range of paper-based art and artifacts, conduct surveys, undertake preservation framing, interface with clients and educate the public. Send resume and letter of intent to Susan@westlakeconservators.com.
